Robin,

It has been an interesting week. I assume Pittsburgh was fairly low key after Dearborn. We will be submitting more extensive written comments before the deadline but here is what Tim said in Dearborn and I said in Fresno. It was good to see Karl and David but I was surprised they were just in the audience.

Hi Rasto,

Can you send me a copy of Tim's testimony on behalf of MECA at the Dearborn hearing? I'll make sure it gets into the docket.

Thanks.

Best,
Robin
